PROCEDURES FOR PARTICIPATION IN CEU ACTIVITIES

CAAD is now a CEU Provider. This means that CEU credits will be assigned to CAAD Workshops and in order to receive CEU credit, participants will be responsible for meeting certain requirements. There will be no exceptions to the following requirements:

1. Late arrivals will receive no CEU credit for that workshop. If the starting time is listed as 9:00 a.m., only those participants present at the start of the workshop will be given credit.
2. Participants will sign in at the beginning of each workshop. You must be prepared to provide your name, district, address and social security number. As soon as the participants present at the start of the workshop have signed in, the sign-in sheet will be closed.
3. Attendance will be taken at the close of each session.
4. The number of CEU’s will be listed on each workshop notice mailed to members in advance of the workshop. Credit will be given based on workshop content and timing. No CEU credit will be given to a participant who leaves before the entire session has been completed. NOTE: CEU credits will only be issued for those individuals who attend an entire day. CEU credits cannot be issued to those who attend a partial day.
5. It is the sole responsibility of the participant to provide the information required at the time of the workshop, and to sign in and sign out of each workshop. If the information is incomplete, CEU credit will not be given. If the sign-in signature is missing, or you are not present at the conclusion of the workshop, no CEU credit will be given. NO EXCEPTIONS!
6. Questions concerning the CAAD CEU credits for a particular workshop should be addressed to Fred Balsamo, CAAD CEU Manager.
